

Solvision TS Series Speaker

TS-5T/6T/8T

- Behold, the wondrous TS series ceiling speakers, crafted to enchant a multitude of audio landscapes- from the bustling streets of public address, to the polished halls of commercial and professional audio. These demigods of sound stand supreme in their ability to weave webs of background music and crystal-clear voice reproduction, making them ideal for the enchantment of commercial spaces- be it the dappled emporiums of retail, the grand halls of conferences, the soaring towers of offices, or the vast expanses of airports.

Features

- A symphony of features tailored for the professional and commercial audio realms:
- Fashioned to cater to the nuanced needs of discerning audiophiles
- Equipped with a 100V transformer, tailored for constant voltage broadcast systems
- Boasting a 2-way speaker system, with woofer sizes of 5", 6", and 8", accompanied by a 0.75" tweeter
- The concave stamped grille at the center enhances the resonance of the original sound
- With rotary mounting ears, installation is a breeze, enchanting listeners with ease and simplicity.
